

## Kanza El-Diwany

Kanza is Youth Underground's Logo Designer. She decided to take on this challenge at the age of 17, and managed to capture what we are all about in one image! In 2013, at the age of 15, she attended the World Economic Forum's Annual Meeting in Davos, where she took the stage and performed two songs to represent End Human Trafficking Now's youth group. Kanza had been selected by the NGO's Board of Directors to perform on behalf of youth her age to raise awareness about human trafficking, and to represent The International School of Geneva – the School's first student participation in such a prestigious event. Kanza passed her International Baccalaureate in 2016. She is currently pursuing a BA in Music in the UK.
