01

Home is where the heart is.

02

Read my lips, my life is precious.

03

Do not erase my future.

04

My sorrow is real, I'm not invisible.

05

My life.

06

People's emotions.

07

This is not how it should be.

08

Humanity.

09

Hope.

10

Just a child.

11

Past, present and future with love.

12

Hope is all we got.

13

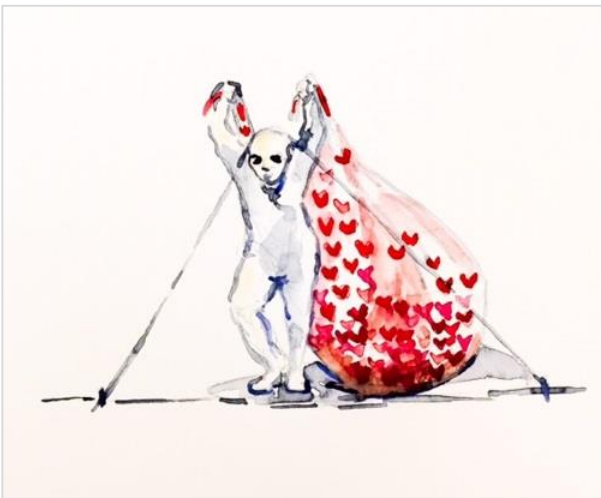

Can't you see that love is my only purpose?

14

Love is precious, it's the sparkle of humanity.

15

I carry the love of my loved ones.

16

Open your eyes.

17

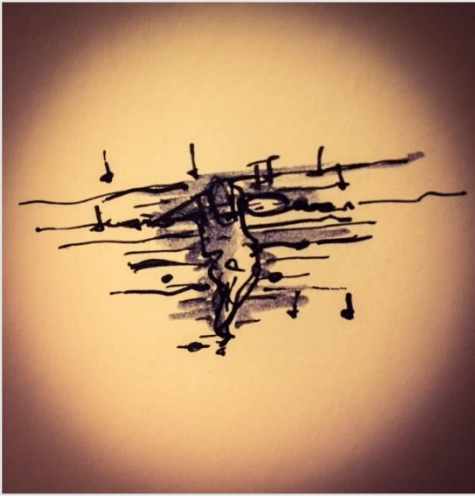

Please watch over me.

18

Always together.

19

Our souls play the music.

20

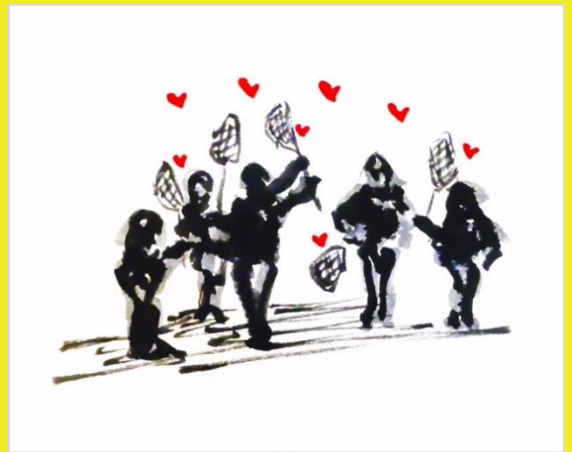

Hold on to that new emotion.

21

A loving memory, living the moment or a desired future.

22

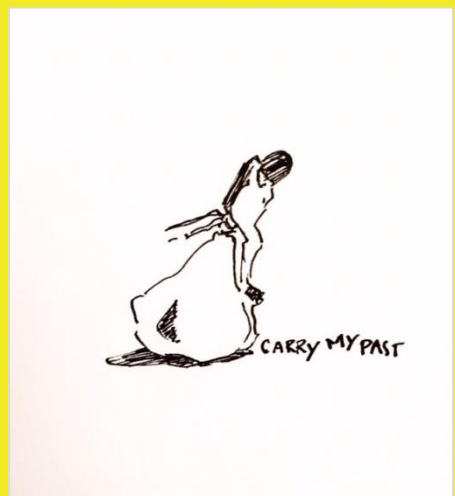

Catch the love.

23

Simply smile.

24

Carry my past.

25

It's all over my face.

27

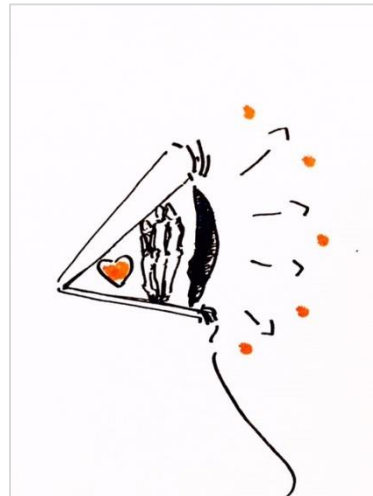

Only love.

29

Reality.

26

If you could only see inside of me.

28

Human impact.

30

Hard times.

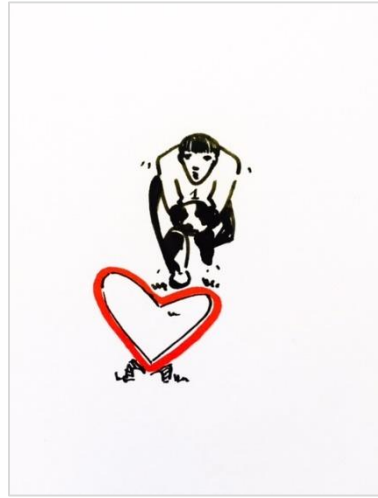

2016

31

Learning the love.

32

Always treat your world with love.

33

Do you know where I come from?

34

Love can lift me up.

35

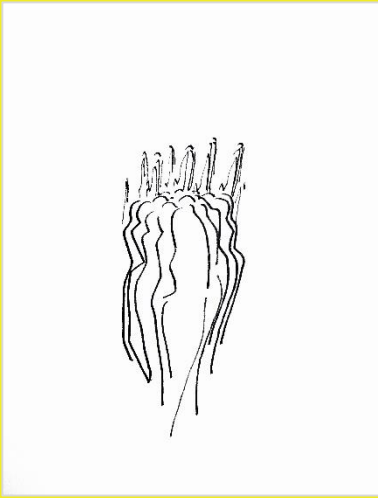

You are trapped in my sorrow.

36

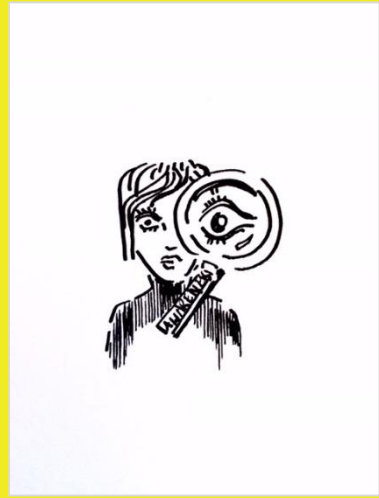

This is how I want it every day.

37

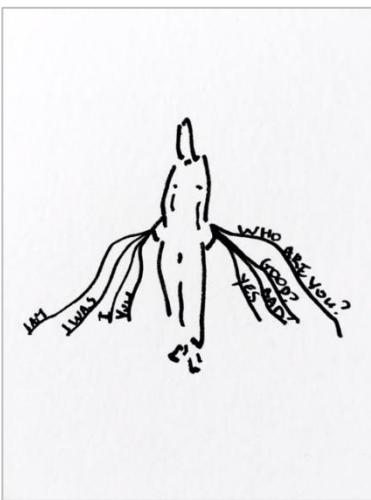

All raise your hand for change.

38

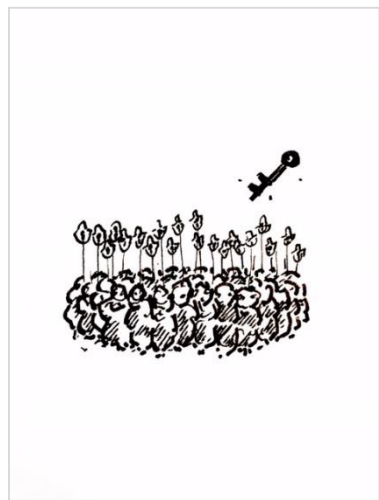

Let us try it! Awareness!

39

Ask yourself!

40

Free the children - Who has the key?

41

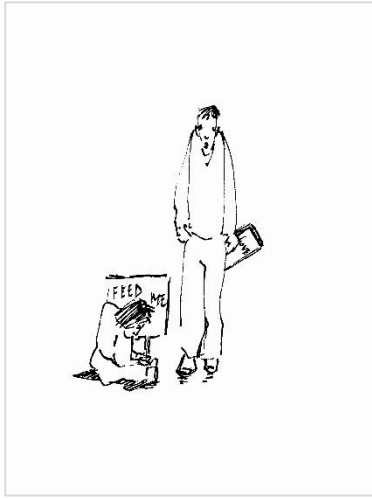

Carry my heart always.

42

Why should I care?

43

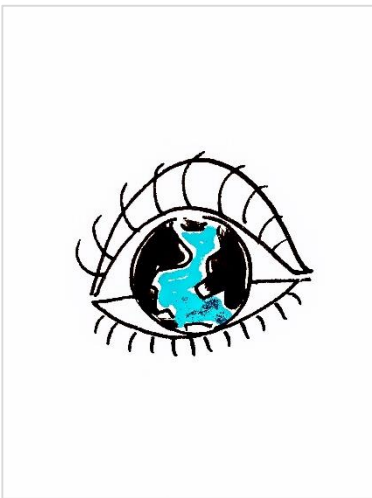

Why should I care?

44

Free to say?

45

Look, the world is in my eye.

46

Let us live.

47

Carry my heart always.

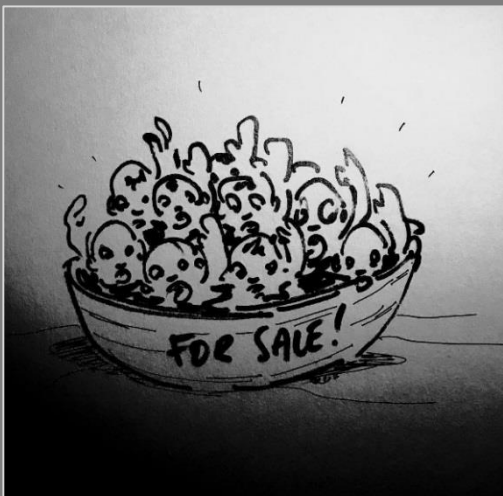

48

Bonne rentrée!

THE CALAIS ('JUNGLE') REFUGEE CAMP SERIES, October 2016

49

For sale!

50

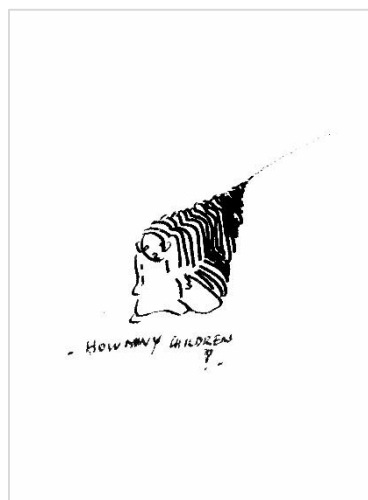

Calais is in all of us.

51

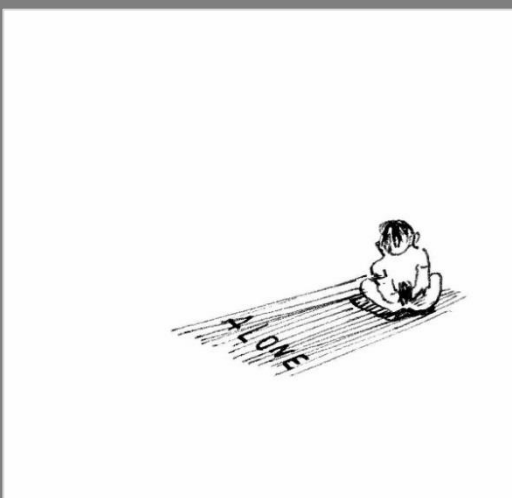

Be afraid, little ones.

52

How many children?

53

Alone.

54

Life always finds a way.

55

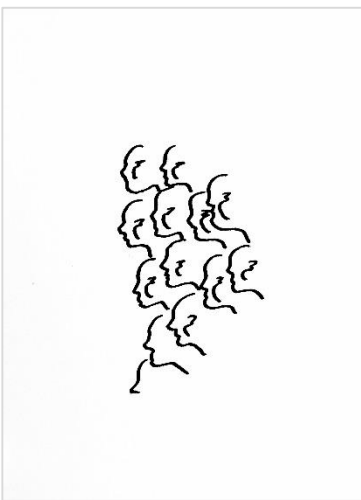

Is this my future?

56

Help humanity.

57

Are we just lines?

58

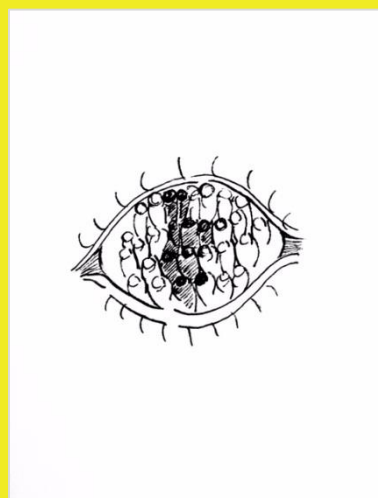

Hold on to the hard path of life.

59

Alone.

60

All these people in my eye.

61

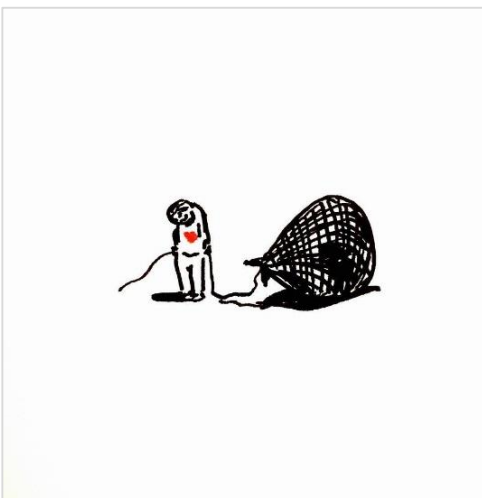

We are all holding the same thread:
Life itself.

62

Why does this line exist?

63

Even with my burden, I have a heart.

64

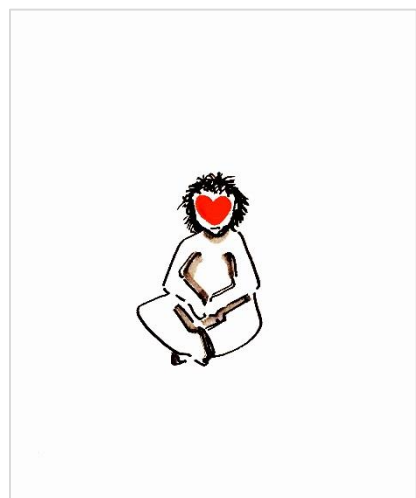

Follow your dream.

65

Don't let them be in turmoil.

66

Can't I be more clear?!

67

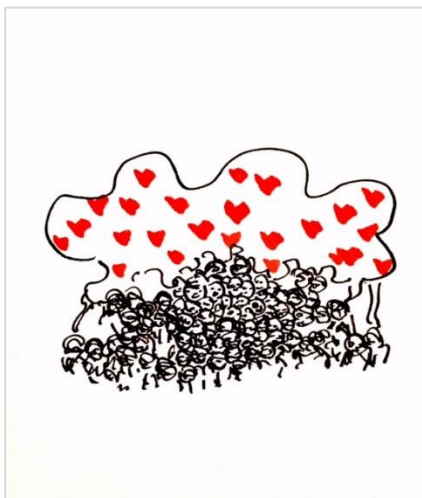

Something must be said!

69

Do not let him disappear forever in the hands of death.

71

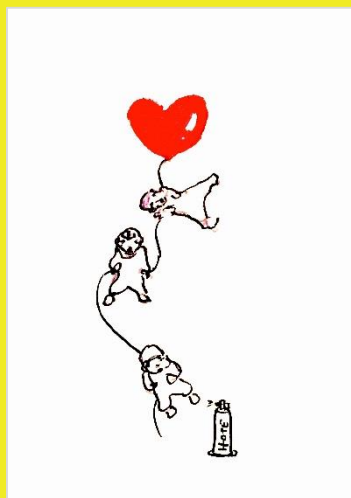

Let's all say it together.

68

My resolutions glow through darkness, no matter what.

70

That's what we need: Hope.

72

Hidden under my misery.

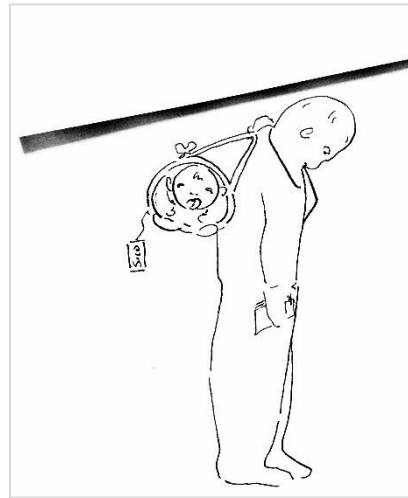

2014

73

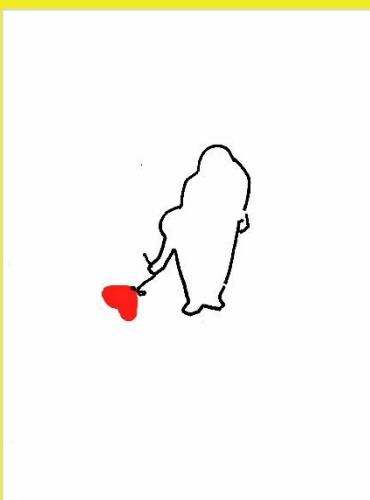

Where is your heart?

74

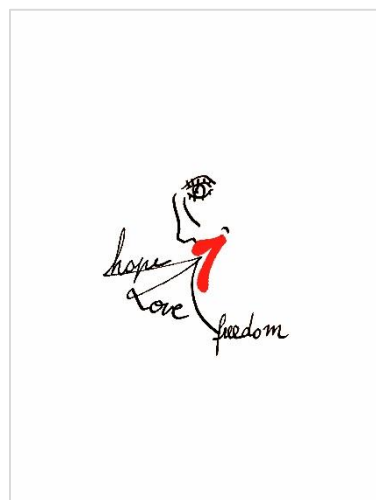

Even undercover, I'm not for sale.

75

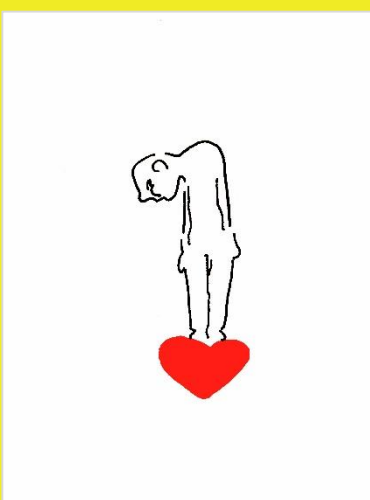

Do not forget to be aware!

76

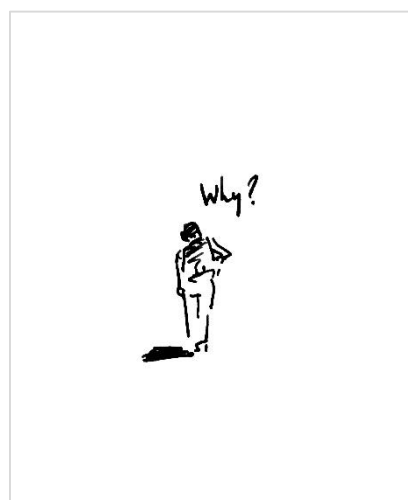

Express the best of your humanity.

77

Born out of love.

78

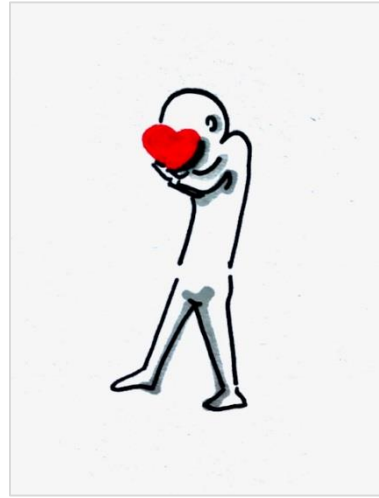

Why?

79

Is love, life not for everyone?

80

Love is my protection.

81

No matter the shadow, there is always love.

82

Let us catch the stars.

83

I'm here.
